

This Week at Deroche!

Date: October 9-13/17

Dear Parents and Guardians:

I am very much appreciating the team work of our parents, students and teachers. All week long people have been using their free time to work loading woodchips into our swing set area. Also, this week, I learned of many parents donating a few dollars extra for orange shirt day to make sure families who could not afford to buy a new shirt got one. What a great community we have, something to be very thankful for this week after Thanksgiving!
