

This Week at Deroche!

Date: October 23-27/17

Dear Parents and Guardians

When we get half through this week, number 8, we will be over half way until Christmas! Are you finding the time going quickly?

- I am proud of our Staff and Volunteers for helping launch our new Home Reading Program. For parents of students grades 1 to 4, please, if possible, assist with your child using his "book bag" and initial his Reading Progress Log.
- On Friday of this week, Divisions 1 and 4 will be hosting our first 'Celebration of Learning' assembly beginning at 11:30. Our theme for this month is "Love" which is one of the seven Aboriginal "Sacred Teachings". Parents of course are encouraged to join us.
- Our turn out for the grades 3 to 6 Archery, Golf and Fencing has been outstanding. We have changed the format a little to make sure everyone does not ever miss Fencing or Golf and that everyone goes to Archery each night. **Have a great week and let's stay strong together until our break at Christmas!**
