

This Week at Deroche!

Date: Jan. 29-Feb 2, 2018

Dear Parents: I need your help with 3 bussing items: 1) We are getting complaints from our neighborhood concerning traffic travelling on the bus road. I intend to keep the gate open for less time so you may have to pull a "uie" in our parking lot like the old days. Your gentle feedback is welcome. 2) The Staff will be making a decision on the final school field trip soon and I invite you to submit any suggestions 3) Please remind your children travelling by bus each day that for safety reasons it is very important to talk quietly. Sadly, we have had some complaints from the transportation department last week.
