

# *This Week at Deroche!*

Date: March 6, 2018

Dear Parents and Guardians:

Pictured below are the senior volleyball players coached by Mrs. MacMillan and assisted by a parent volunteer, Justin Laslo. The team was comprised of mostly grade 5 students and they certainly worked hard to compete with the 11 other elementary schools in Mission. Thank you Mrs. MacMillan and Justin for all your time investing in our students! Watch for news of "drop-in" volleyball times over the next months to help our young players be ready for next season!
