

This Week at Deroche!

Date: May 9, 2018

Dear Parents and Guardians:

Below is one of our students running the 100 meter relay at the District 75 Elementary Track and Field Meet. This year we had over 18 athletes competing for our school, more than double than in the last two years! I am happy to announce that due the funding of PAC and our School District, we will be building a 200 meter oval track on our upper field in June. This will definitely help us continue to encourage our students to live active lifestyles and do well in running, jumping and throwing!

Upcoming Events:

- May 16 - Grade 6 Orientation trip to Hatzic Middle School at 9:30 am
- May 16 - Grade 6 Parent Information Meeting and Tour of Hatzic at 6:00
