

MAPLE POPCORN BALLS

INGREDIENTS:

- 1 cup popcorn kernels
- 25 marshmallows
- 1/4 cup butter or margarine
- 1 Tbsp maple syrup
- 1-2 Skor bars crushed into pieces

STEPS:

1. Pop kernels and remove any hard seeds.
2. In microwave, melt butter & marshmallows for 1 minute at a time, stirring each minute until all marshmallows are melted.
3. Add maple syrup and mix well.
4. Pour melted mixture onto popped kernels and mix.
5. Press handful of popcorn together to form a ball (you can use my trick with wax or parchment paper). Roll on plate of Skor bar pieces. Enjoy!
