Peter and the Wolf by Sergei Prokofiev

Played by the Vancouver Symphony Orchestra

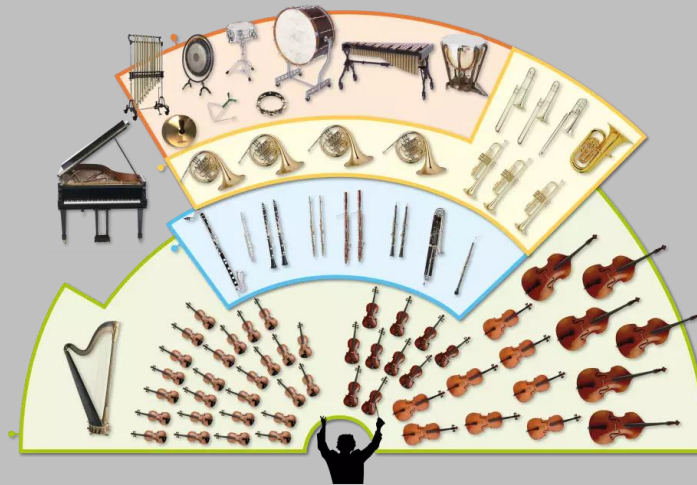

If you've ever heard the story, "The Boy Who Cried Wolf", this is the musical version of this Russian Folk Tale. Hope you enjoy this story, where instruments represent each character.

Woodwind Instrument Family

A reed creates the fipple effect in many woodwind instruments.

The woodwind instruments are located in the centre of an orchestra.

A saxophone is usually played with a concert band and not with an orchestra.

5 basic instruments make up the woodwind section in an orchestra.

There are also many more unusual woodwind instruments.

**Listen to music. Dance to music. Play music.
Until next time**
