Dear Parent, Grandparents and Guardians:

### Re: **School Re-Entry Planning**

As you may have read, parents of elementary students will be able to send their children to school two full days per week commencing Monday June 1st. We plan to continue distance learning until the end of June whether or not you choose to send your children. We will have two groups of children at school, those who attend Monday and Tuesday or those who attend Thursday, Friday.

For our planning purposes it is important that **you let us know as soon as possible if you plan to send your children back to school June 1st.** Also, if you are sending your child(ren) and you normally take the school bus, please let us know if you will need busing. You of course can change your mind at any time.

Looking forward to hearing from you as soon as possible and thank you.

Sincerely,

*M Abercrombie*
