

Bloomin' Easy®

PLANTING FOR THE FUTURE

A curated collection of 4-inch Bloomin' Easy shrubs grown right here in Abbotsford, B.C

Yr. One.....Yr. Three

Torch™ Hardy Hydrangea

- Full to part sun (Zones 3-8)
- 4-5ft tall and wide
- Sturdy, upright form with white blooms in early summer that age to bright red in fall. The early blooms will have you excited for spring
- Excellent stand alone plant

Yr. One.....Yr. Three

Starfield™ Bigleaf Hydrangea

- Part sun (Zones 5-8)
- 2-3ft tall and 2-3ft wide
- Pink in neutral soil, and blue/mauve in acidic soil, all summer long. Adds a pop of colour to your garden
- Looks great in groups of three

Yr. One.....Yr. Three

Thunderbolt® Box Honeysuckle

- Part Sun (Zones 5-9)
- 3-4ft tall and 3-4ft wide
- Upright then cascading, very easy to trim to desired shape and size.
- A wonderful boxwood replacement

Yr. One.....Yr. Three

Birthday Cake™ Butterfly Bush

- Full sun (Zones 5-9)
- 4-5ft tall and 2-3ft wide
- Long fragrant, rich pink flowers stand straight up like the candles of a birthday cake.
- Ideal for attracting pollinators to your yard

Yr. One.....Yr. Three

Rainbow Fizz™ Spirea

- Full sun (Zones 3-8)
- 3-4ft tall and 3-4ft wide
- Candy-like flower buds emerge red, opening to pretty pink blooms, providing multiple seasons of colour
- An ideal option for bordering a walk way
