

Mission's Candlelight Parade

Dear Parents and Guardians:

December 3, 2018

As you may have read in a previous notice, our PAC is entering a float in this year's Mission Candlelight Parade taking place this **Friday December 7th, starting at 7:30 pm.** We are grateful to Mrs. H. for providing the truck and trailer!

On **Friday December 7th from 9:00 am until 4:00 pm, we will be decorating the float at the school.** This year we are planning a Hawaiian theme and are still in need of a few items such as Christmas lights, garland, flowers, extension cords and a generator. Please bring, or drop off, whatever decorations you can on or before December 7th.

On Friday night, the 7th, you are invited to ride on the float with your child. If you cannot be on the float with your child, then you will need to contact another parent or guardian to act as your child's chaperone and their ride to and from the event. This is a PAC sponsored event and please remember that we will be outside for 2 hours, so appropriate clothing is essential.

The exact starting point location of our float is not something that can be predicted but we will be close to Pioneer Chrysler Jeep on North Railway Ave. **Please meet at the West Coast Express station no later than 6:45 pm** and we will walk to the float together. Our float number is #55. The pick-up area is located by the A&W in the Mission Hills Mall. The parade should be over between 8:30 and 9:00 pm.

Please sign the permission below and return it to the school by Wed December 5th.

We are looking forward to a fun night!

Kasey Cavanagh, PAC President

I give my child _____ permission to participate in the Candlelight Parade on December 7, 2018. My child's chaperone on the float and ride to and from the event will be _____.
