PRINCIPAL'S MESSAGE

Dear Bear Nation,

We did it! Our playground was unpacked, built and cemented into the ground, all in one weekend! Pictured to the left are 3 volunteers from the North Fraser Fire Department and Al Stobbart (in the hat) who was one of a few Lion's Club members who volunteered countless hours for our project. Several parents, including our PAC, also gave up their weekend to save several thousand dollars for our school.

I am humbled by, and very proud of, our community for banding together and working so hard to provide such a lovely play area for children.

Sincerely, Mike Abercrombie
