BULLETIN #9

PRINCIPAL'S MESSAGE:

Dear Deroche Bear Families: Our recent Hallowe'en events were a great example of how kids can benefit from TEAM WORK. Teachers and our Aboriginal Liaison Worker, organized and helped supervise seven fun stations for our students to enjoy. Our Division 1 and 2 Leadership Students and the rest of our grade six's, built the haunted forest, helped run each station, and encouraged their younger school mates to do their best. Parent volunteers (some of whom are pictured above...yikes) organized and contributed amazing treats for a bake sale. Much effort was also put out by all our parents to send their children to school in costumes. Overall, I think it was a very fun and positive day for kids. I am excited about the other great things we can accomplish for our students when we work together!

Thank you to our PAC for organizing the Bake Sale and to numerous parents for sending in very creative baked goods! Also, we appreciate Trudy Lacey for bringing in eggs for our food program and her daughter-in-law Lesa for providing food for our weekly blessings back packs. Thanks also to Trudy T for filling the back packs for families. We are very grateful and proud of our school community for the level of care that we have for one another.
