BULLETIN # 17

PRINCIPAL'S MESSAGE: Pictured above is our brand new covered learning space with Mrs. MacMillan, her assistant Miss Braich, and the first class in history to be taught in Deroche Elementary's Outdoor Classroom! It was wonderful to see our students learning in this new area and I am very excited to see the effect learning outdoors will have on our students' achievement in subjects like science, math and social studies! We are very grateful to Lacey Construction for building such a spectacular structure for us.

Also above are two friends who came to class last week with very positive messages on their shirts. "*Together Change is Possible*" and "*Life Is Better When You Are Laughing*" are certainly great to keep in mind as we continue our adventure through 2019!
