

Deroche Elementary Bear Nation Weekly Bulletin

JANUARY 30, 2019

BULLETIN # 19

PRINCIPAL'S MESSAGE: Dear Bear Nation: The students above are doing activities that represent some important values that our school is attempting to reinforce in your children. The two Grade 3 boys and a Grade 5 boy are holding a sign expressing our THANKFULNESS for the GENEROSITY of a couple, "Mark and Barb" who consistently deliver fresh dairy and produce to our school to help support our breakfast and lunch programs. This couple is among a few people who generously help our school food programs.

The second group of boys from Division 4 are showing good STEWARDSHIP by washing the windows at noon hour. At Deroche we regularly teach and reinforce the concept that we are all responsible for taking care of those precious resources entrusted to us, most importantly each other, but also our natural environment and of course our school building! Please take note of our bottle drive explained below, and have a wonderful weekend!
