**PRINCIPAL'S MESSAGE:** Dear Parents and Guardians: I hope you are getting back to routine after our snow days, power outages and Fraser Valley hurricanes! At school, our students are enjoying the snow and as you can see from the picture above, are keeping their hands and heads cozy and colorful! The ladies from Tapadera Estates, a residential subdivision a few km from our school, each year spend many hours knitting, then deliver several sets of hats and mittens for our children to help them through the cold weather. I cannot tell you how many times our staff have handed out these labors of love to kids whose own gloves or mittens have become wet, or, have been forgotten at home. As was the case with our Christmas hamper program, here again is another example of how a community, working together with big hearts, can make a huge difference for our children!

*Mike Abercrombie - Principal*

**VALENTINE KINDNESS:** Pictured above are some of our students enjoying the snow and extending their Valentine wishes to everyone. Also pictured above are cupcakes and kindness cards made by our Division 4 students. The cards and treats were delivered to the youth at "My House" in Mission. We are so proud of Mrs. MacMillan and her class for this act of kindness.

**THINGS TO NOTE:** Good luck to our **Volleyball** team who play **after school today at Christine Morrison**. Don't forget about the **Bake Sale tomorrow**. Students can spend up to \$1.00 at lunch and the bake sale will be open after school too. The **PAC Meeting** will be on February 26<sup>th</sup> at 7:00. Hopefully the snow will stay away this time! Note: Our **Parent-Conference night** has been changed from the 14<sup>th</sup> to the 13<sup>th</sup> of March. More details will follow.
