BULLETIN #26

PRINCIPAL'S MESSAGE: Dear Parents and Guardians: Pictured above and on the next 2 pages are our students, parents and guests participating in our "Sea You Later Chum" Salmon Release and "Forest & Stream" learning site dedication. It was an amazing day, with the weather giving us rain all week to swell our creek, then beautiful sunshine on Friday while we released our 40,000 chum. Warm sunshine was also perfect for our creek side ceremony before the release which honoured our Aboriginal heritage, community contributors and our graduating grade 6's. Our staff, PAC leadership and parent volunteers did a tremendous job preparing our site and the delicious lunch. I think your children were treated to a world class experience and I couldn't be more proud of our school. A special thank you to Inch Creek Hatchery for making this day possible. Have a great rest of the week and enjoy the Easter weekend.

Mike Abercrombie - Principal
