BULLETIN #7

### PRINCIPAL'S MESSAGE:

Hello Deroche Bear Supporters:  
Above you can see some of our cross country runners proudly displaying their ribbons after completing the Hatzic Harvest Jaunt. Great job Bear athletes! In the next few weeks we will be sending home information about "running clubs" so our students can continue to train in preparation for more running races in the Spring. Also above is a pile of the three tons of gravel donated and delivered to our school by a local business Mission Ridge Aggregates. We appreciate MRA's generosity very much as we continue to develop our Forest and Stream Learning site. The company is also sponsoring our athletic programs through a donation for uniforms and footwear. The partnership of our School District, our Regional District, the Sasquatch Lions, local retirement Communities, and companies like Mission Ridge are creating a winning combination for our students as they run the race of life!
