NOVEMBER 1, 2019

BULLETIN #9

PRINCIPAL'S MESSAGE: Dear Bear Nation: Above is a sample of creativity on display at our school this week during StrongStart, our Hallowe'en parade and activity stations. Whether it's Star Wars, ET, the Minions, Minecraft, the Riddler, baby belly X-Ray, along with so many other themes, it was obvious that a definite effort by parents, staff and students to use their imagination was unfolding. Overall, some very positive and hilarious images of Hallowe'en resulted and hopefully no nightmares! Good work everyone! Also above, you can see an another impressive feature of the day which was the grade five and sixes stepping in to lead stations for their younger school mates. They did a tremendous job and were very well organized by their teacher Mrs. Laughlin. What a great opportunity to develop leadership talent! Moreover, our senior students are learning that making a fun time for someone else, can be truly rewarding! Bottom line, it was all good, but where is the candy?
