BULLETIN # 19

PRINCIPAL'S MESSAGE: Dear Bear Nation: Pictured above is our Intensive Support Teacher Mrs. H., who is appropriately positioned in a wheel barrow as she contributes a "barrel full" of knowledge to our children through Garden Club and several other programs. Pictured also is Mrs. Carr, our Student Care Worker, who we appreciate for organizing archery instruction for our students and who is also attempting to start an after school archery club at Deroche after we receive more training. "Bear" hugs to Miss Julie, pictured above putting in time at lunch to supervise students in our "dry and quiet" zone. Many of us have seen the superb job Miss Julie does in StrongStart and we are very lucky to have her investing in our older children too. Finally, pictured above is our volleyball team participating in an exhibition game with Dewdney. We are very thankful for our coaches for helping our athletes this volleyball season. As I have said many times in our bulletins, our young bears benefit very much by dedicated staff who continue to devote extra time and effort into valuable programs.
