BULLETIN #28

PRINCIPAL'S MESSAGE: Dear Bear Nation,

As you can see, there are quite a number of people who miss our students. Over the last 30 years I have had the privilege of working with a lot of dedicated educators. Nevertheless, I can say that I have never worked with a group of people who thoroughly enjoy a group of students as much as our staff cherishes working with the young Deroche Bears. Numerous times over the past weeks, I've seen that our staff's greatest joy is experienced when they can talk with their students whether it is on the porch, over teleconferencing or on the phone, and see that they are making progress. We are grateful to be employed when so many Canadians are not right now, and we are all doing our very best to support and provide resources to our wonderful parents as they maintain an environment that is having to replace our school building. Let's hope that our school can open safely as soon as possible, and that our children and staff can be reunited. Finally, please, again, do not hesitate to contact any of our staff if you need school supplies, food, technology or clarification of school work assignments. We are here for our children and families!!
