

Deroche Elementary Bear Nation Weekly Bulletin

JUNE 05, 2020

BULLETIN #31

PRINCIPAL'S MESSAGE: Dear Bear Nation,

I hope you are doing well and are seeing some light after almost three months of very unusual circumstances. As you can see above, some of our students have returned to school this week and are hopefully enjoying some surprises. We start each day together in the gym with our Children's Blessing Song and breakfast. We also will be eating lunch in the gym and our hand washing stations and social distancing strategies are in full gear. You can also see that playing tag now involves having to use foam tubes, which I think had enhanced the experience for some. Our staff are thrilled to see their students at school but we of course want to stay very connected to our students who are continuing to learn at home.

If you have any concerns please do not hesitate to let us know and of course contact us if you want to start sending your child to school two days per week. Please remember, there will be no students or teachers at the school on Wednesdays.

Sincerely,

Mike Abercrombie - Principal

PAC & DISTRICT NEWS : Please be advised that PAC has postponed their Annual General Meeting until the fall. Also please see the latest Memo to Parents from the District's Superintendent Angus Wilson attached. Please keep checking our District and School Websites for announcements and learning at home features from our staff.

THANK YOUs:

We really appreciate Tracy and Ben Driessen from the Deroche Store and Lesa Lacy from Isthmus who have been faithfully donating food to our school to deliver to families. Also, our PAC has recently approved sponsorship of our summer reading program and have helped us out with providing more equipment for our school as our playgrounds remained closed, (hopefully not for long) and as we conduct many classes outside.
