

Deroche Elementary Bear Nation Weekly Bulletin

JUNE 19, 2020

BULLETIN #33

PRINCIPAL'S MESSAGE:

Dear Bear Families and Supporters:

As we finish our third week back at school, teachers are getting very creative in planning activities for learning outdoors. As mentioned last week, two of our students who are neighbours on Leq'a:mel Reserve, are at school learning in our outdoor education site, and are really enjoying the fruit from our gardens! Similarly, our older students are outside watching their "egg protection inventions" being tested from the roof of our school. Some of the inventions worked, while others, as a brother and sister discovered, needed a few modifications! Finally, we are delighted that our stream is still running, even half way through June! Our staff and students continue to use and develop this amazing site, evidence of the beauty of creation!

Please keep working hard for another week, stay safe and be encouraged that together we are progressing through this time of change and adversity!

Mike Abercrombie - Principal

ANNOUNCEMENTS:

- * Please continue to observe physical distancing.
- * Only books borrowed prior to March Break need to be returned into the library's **Book Drop Box**.
- * Please see the **attached** a letter from Angus Wilson, the District's Superintendent
- * Also attached is information about **Summer Reading Club** and **Report Card Pickup**

Finally, we have attached the school supplies list for next September. There is a printed copy included with students' report cards. Again, if you want Staples to prepare the whole set for you, please call or email Staples at Jaime.Strocel@staples.ca

UNLIKE LAST YEAR, you can order the packages on-line or by phone, or in person ANYTIME all summer. ALSO, the packages will be DELIVERED TO YOUR HOME!

Thank you to Staples who are providing this valuable service to our school!
