BULLETIN #10

PRINCIPAL'S MESSAGE:

Dear Parents, Guardians, Relations and Supporters:
Above are some pictures of a large excavator provided and operated by Tom Cassel of TW Excavating. Tom, a neighbour and member of Sasquatch Lions Club, has donated countless hours of his machinery and skills to improving our Outdoor Learning Area and has been involved, along with the rest of the Lions, in contributing funds generously to our school. The work that was done this week involved strengthening the banks beside our Outdoor Classroom and adding gravel to the access lane. As well we are very grateful to Ted Craiggs of Mission Ridge Aggregate who donated the gravel for this project. Thank you Tom, Ted and the Lions! However, Tom, you are going to have to be careful with some of our Deroche wildlife that occasionally visits (very safely of course) your machinery while you are having a break!
