

# Deroche Elementary Bear Nation Weekly Bulletin

NOVEMBER 26, 2020

BULLETIN #11

## **PRINCIPAL'S MESSAGE:** Dear Parents, Guardians, Relations and Supporters:

This week safety was involved in some activities around our school. Our Mission School District hired a company to cut down a few trees that had died and could fall in a windstorm. Similarly, on Friday our bus students participated in several safety drills to be prepared for emergencies such as having to evacuate the bus from the back door. Cutting the trees allowed the students to see and learn about how tree rings depict a tree's age and the bus drills taught our students a lot about teamwork. But overall, our students have had several opportunities to face their fears and learn to stay calm.....important lessons as we attempt to overcome our COVID fears. I am very proud to part of a community that is demonstrating so much courage and strength for the good of our kids. Stay strong Deroche Bear Nation!
