BULLETIN #21

PRINCIPAL'S MESSAGE: Dear Parents, Guardians, Relations, and Supporters of Deroche Elementary:

As you can see above, February at Deroche School contained many highlights. We started the month with all our grade 3 to 6 students learning and practising archery skills. It was wonderful to see improvement over the year since this training was offered at our school. In the classrooms great learning was also occurring! Amazingly, what Mrs. Laughlin is doing is introducing food at the top of a live human gastrointestinal tract and the students in a row are each representing and acting out the particular purposes of each organ of the digestive system. Guess which organ the observing principal was assigned! Similarly, Ms. Macintosh's class is showing their learning about sturgeons, and directed by Miss Alexis, are proudly displaying their pink shirts celebrating our Pink Shirt Day and their learning about the importance of kindness. (Way to go Scowlitz Band for providing the sturgeon emblazed pink shirts). Finally, as always, we are grateful to our community supporters, Tapadera Residents, and Miss Dyane of the Mission Legion for knitting hats and mittens which were very much appreciated when February brought some days of very cold weather!

ANNOUNCEMENTS: Report Cards go out Monday March 8, and Parent Teacher Interviews are scheduled for after school and evening of Thursday March 11, 2:30 to 7pm. Please look for a notice coming home.
