BULLETIN #26

PRINCIPAL'S MESSAGE:

Dear Parents, Guardians, Relations, and Supporters of Deroche Elementary:

The picture above depicts two of our students helping lead the "Children's Blessing Song" using drums that were recently dyed the colors of the Medicine Wheel and made from deerskin by Ms. Macintosh and Miss Alexis who were also helping lead the drumming and singing at our recent Salmon Release Ceremony. Last week Mrs. Laughlin also lead her class in her "annual egg drop challenge" which requires her students to invent contraptions that will protect an egg dropped from the outside roof of our gym. Needless to say the students enjoyed the learning but I am sorry to report that there were some egg fatalities. Finally, Mrs. Takhar designed an excellent activity with string to demonstrate how living things are connected in food chains, but again, I have to the report the principal got pretty tied up! Overall, I am so very impressed that our staff is keeping learning as a major priority even during a time of so many other challenges and distractions! Thank you parents and guardians for your trust and support!

Mike Abercrombie, Principal
