

Deroche Elementary Bear Nation Weekly Bulletin

MAY 10, 2021

BULLETIN #29

PRINCIPAL'S MESSAGE:

Dear Parents, Guardians, Relations, and Supporters of Deroche Elementary:

This past week we saw a lot more evidence of the dedication of Bear Nation to our school. Lisa Niemi, a local retired person and her husband and a few friends donate food to our school once per month. On Thursday, one of our students particularly appreciated one of Lisa's helpers. Also pictured above, is Marilyn Stevens who, along with her husband Ted, reads with several of our students, and quizzes them on math facts, everyday! On Thursday, Marilyn and Ted were joined by Elsie and Colleen Provost who also have been a part of our volunteer reading program for 5 years. Finally, our school has been home to several university students over the past few years, who volunteer to help prepare for a career in teaching. Miss Harman, pictured above, is a UFV student, has spent countless volunteer hours over the past 12 months, doing a fine job supporting our children. These volunteers, among many others, really make a difference for our students, not only as tutors, but as wise and encouraging friends and role models!

Mike Abercrombie, Principal
