BULLETIN #31

PRINCIPAL'S MESSAGE:

Dear Parents, Guardians, Relations, and Supporters of Deroche Elementary:

It is wonderful to see kids grow up! Pictured above is one of our grade 6's who was very proud of a recent research assignment and 3D diorama. She received a top mark, is excited and a little nervous about going on to Middle School and has been at Deroche Elementary since she was in grade 1! Also above, is a picture of Debby Skipper our custodian, and top "Covid-Buster". Debby arrives at work each day shortly after 11 am in time to thoroughly sanitize each classroom, the gym, the library and all the bathrooms so that students in the afternoon can be safe. And, of course, when all our children finish their afternoons at school, Debby does the whole routine again! So far our school has done very well in terms of avoiding lost school days to the pandemic which speaks volumes to how valuable Debby is to our community! Hope you enjoyed the long weekend and that you have a great week ahead. *Mr. A*
