Dear Parents and Guardians of Deroche Elementary Students,

RE: Return to School
COVID-19 Communicable Disease Prevention Plan

This week our staff and District have been working diligently on their Continuity of Learning plans. Please find attached a list of the measures our school is taking (most are familiar to you but some are new) to ensure our students and staff are as safe as possible. In addition to these strategies, our school is continuing to conduct several classes each week outside, and will continue to have our students enter and leave our school through doors leading directly outside.

Also attached, is a letter from Superintendent Wilson with details regarding students returning next week. Please read this letter, as it contains important information such as Health & Safety updates and functional closure protocols (messaging to families can be found on our District and school websites).

I am very grateful for the dedication and commitment put forth by our staff, parents and District in attempting to keep our children learning and thriving despite the pandemic, and I have much hope that the 21/22 school year will be successful.

If you have any questions, please do hesitate to call or text me at 604-302-5769.

Yours sincerely,

M. Abercrombie

Mike Abercrombie
Principal – Deroche Elementary
