MARCH 8, 2022

BULLETIN #17

PRINCIPAL'S MESSAGE: Dear Parents, Grandparents, Guardians and Supporters of Deroche Students: We are very proud of our volleyball team who just finished their season this week. After our season was cancelled last year it has been wonderful to be able to compete with other schools in our District. What I have found most impressive, and which I believe is very exciting for the future is the commitment level of our players. Every morning, recess and lunch, our team wanted to get into the gym to practice their skills and we had numerous practices after school. The amount of adult supervision this required was extensive and many thanks go to parent Bryce Shepherd, and Mrs. MacLean who spent several hours helping coach and to Indigenous Liaison Workers Miss Alexis and Miss Sadie for their help driving and cheering on our team at all of our games. Now our Bears will turn their attention to Track and Field!
