BULLETIN #17

PRINCIPAL'S MESSAGE: Dear Parents, Grandparents, Guardians and Supporters of Deroche Elementary: Above you can see the marvelous results of our younger students learning to play music as a mini-percussion and sound orchestra. I was amazed that four groups of children per class can achieve the correct musical sounds in the right time and pace to produce a sweet melody. Wow, great work students and Ms. Titford! Also pictured above are some scenes from our recent "Global Day of Play" on Wednesday. We gave more leniency about bringing toys from home and created extra time & spaces for children to engage in play, minus the electronic devices, during the day. It was a great success and our staff learned a lot seeing our children learn in different ways. Today we are off skating at the Leisure Center. It is wonderful to be able to return to the ice rink after so many restrictions of the past three years!
