BULLETIN #19

PRINCIPAL'S MESSAGE: As you can see we have some fantastic extracurricular opportunities at Deroche! Mrs. Pruum has started a sewing club which meets one or two noon hours a week. The students are learning how to use sewing machines and how to make items of clothes. I have heard a rumor that a fashion show is in the works! Also, pictured above are our volleyball teams led by Mr. Stublely. Our students are extremely fortunate to have Mr. Stublely as he tirelessly spends time in the mornings, noon hours, and after school helping our students improve their skills. Students challenged staff to a game on Monday at lunch and their skills were impressive! Finally, the bake sale was a huge success! All kids were served and our PAC made almost \$250. Thank you very much to everyone who contributed funds and baking goods! *Mike Abercrombie - Principal*
