

DEROCHE PAC FUNDRAISER

Return-It Express: Ongoing Bottle Drive

HELP SUPPORT THE SCHOOL TODAY!

Here's How It Works:

1. Put your unsorted, uncrushed, refundable beverage containers in a clear plastic bag (70-75 liters in capacity)
2. Drop off at the school and we'll take care of it, or take to a Return-It Express depot
3. At the Express depot, use the school phone number **604-826-2360** at the kiosk to print a sticker label for the bag(s)
4. The depot will sort the containers and credit PAC with the refund. It's that easy!!

Things to Know:

- The closest Return-It Express depot is located at the Mission Recycle Centre (7233 Park St near McDonalds)
- Acceptable Containers include refundable aluminum or plastic, drink boxes or pouches, glass bottles (see the Express-It Website for full details)
- Place a maximum of 12 glass bottles in each bag so it's not too heavy
- You can drop off a maximum of 6 bags per visit at the depot or as many as you want to here!

Help with our Fundraising efforts by spreading the word! The sticker label will display a unique code to ensure the funding is credited to our PAC account. Make sure each bag has a sticker when you're at the depot. We'll label any bags that are dropped off at the school. Thanks for your support!

Thanks for supporting our Fundraiser and Investing in the Students of Deroche Elementary!
