BULLETIN # 18

**KIDS
Garden CLUB**
Where young sprouts learn and grow.

PRINCIPAL'S MESSAGE:

Hello Bear Nation! Isn't January too early to be worrying about gardens? Apparently not for the Deroche Elementary senior and junior Garden Clubs! Pictured above are some grade 3 and 4's who volunteered their noon hours to clean, create and plant garden beds over the past two weeks. I am so grateful to these students and especially to their supervisors, Mrs. Handler, Mrs. Shepherd, Mrs. MacLean and Mrs. McDonald. Not only are our students learning valuable life skills from some real experts, but they are getting the satisfaction of helping make our school look so beautiful and appealing! As you visit our school over the coming months please do not hesitate to comment if you see some differences, but be careful, your children may be after you to get started on your gardens in the middle of winter! Yikes!
