

# Deroche Elementary Bear Nation Weekly Bulletin

JUNE 24, 2020

BULLETIN #34

## Hello Bear Nation!

There is an expression that suggests that, just like a bobcat can move rocks, so can faith move mountains! And we did it, we overcame some pretty high and jagged obstacles! Our most unusual and maybe most challenging school term since WWII is over!

Week after week, I saw evidence of students, parents, grandparents, caregivers and community volunteers putting in extra effort to make sure we all stayed safe and that our most precious resource, our children, continued to develop their hearts, minds and bodies! Congratulations everyone!

On another note, as you can also see above, we have lots of **shoes, clothes, and...REPORT CARDS and class pictures for pick up!** If your child is not at school on **Thursday**, everything will be out front of the school from **11am to 2pm** for you to pick up. If this time is not convenient, please call me at the school or my cell, 604-302-5769, to arrange another time until July 3<sup>rd</sup>, after which, you can pick items up in September when we are all back to school (hopefully!?) Have a safe, wondrous and restful Summer!

**CONGRATULATIONS TO OUR GRADE 6 STUDENTS** who have now graduated from Deroche Elementary School and are ready to move on to Middle School. Well done!

*Mike Abercrombie - Principal*
