BULLETIN #27

PRINCIPAL'S MESSAGE:

Dear Parents, Guardians, Relations, and Supporters of Deroche Elementary:

One of the guiding values of our school is "Service". Above are some examples of the numerous ways that students are called upon to help each other and our school. Grade 3 and 2 students from Mrs. Macmillan's class are helping two younger students from Ms. Macintosh's class learn how to play "Uno". Similarly, three older students from Mrs. Laughlin and Mrs. Takhar's class are helping keep our invasive weeds trimmed and our soccer and basketballs inflated. I also appreciate how all of our students are given "chores" in each class to help keep our school tidy and up to date with recycling and composting. Overall, our students benefit a great deal from learning to help our school, environment and each other. However, over the years, sometimes my wife and I found it hard to believe it when we told that our kids willingly did chores for their teachers! Hopefully you cannot relate.

Mike Abercrombie, Principal
