BULLETIN #28

PRINCIPAL'S MESSAGE:

Dear Parents, Guardians, Relations, and Supporters of Deroche Elementary:

We had our recyclables picked up on Friday. As we are not able to do bottle drives presently, we really appreciate some families who have brought in cans and bottles etc. to help support our grade 6 year end celebration and other programs. Also, as you can see we were visited by some horses at the end of the school day. Wouldn't be wonderful to have a horse riding program at Deroche? Sometimes a short pause in regular activities can be helpful for coming up with "out of the box" ideas. Horse riding might be a little too far fetched, but next week we are looking forward to the delivery of a ping pong table for outside, which we hope will give our kids more options at recess when many are confined to playing on pavement. Overall, our staff is excited about the progress they are seeing in our students, even as everyone is getting a little tired of the pandemic season we are in.

Mike Abercrombie, Principal
