BULLETIN #30

PRINCIPAL'S MESSAGE:

Dear Parents, Guardians, Relations, and Supporters of Deroche Elementary:

Above is a picture that represents a few important shared beliefs at Deroche Elementary. Firstly, we are thrilled when our students enjoy being at school. Secondly, we strive to have our students learn on their land, to appreciate it and be good stewards of its beauty and resources. Thirdly, we want our students to be proud of their cultural backgrounds, and art often displays the strengths and creativity of a group of people. Finally, dear to the hearts of Deroche Nation as well, is the importance of our students learning to be strong readers. Each digit displayed above depicts the number of levels a sample of our students from Mrs. MacMillan's class have improved their reading levels in the past 7 months. Typically, 4 levels of Reading Benchmarks is considered good progress. Thank you for all of your support!

Mr. Abercrombie
