BULLETIN #5

PRINCIPAL'S MESSAGE: Hello Parents/Grandparents/Guardians & Friends of Deroche Elementary: Earlier this school year I highlighted the excellent and committed group of teachers we have at school. Above is another group of our staff who support our students in the classroom and in special programs. Our EA's are Mrs. Coombes, Mrs. Stobbart and Miss Von Riesen, and our Indigenous Liason Worker is Ms. Alexis. They are doing a tremendous job and our teachers and students benefit from their knowledge, experience, and kindness. Also above, is Miss Julie, our Strongstart teacher who tirelessly supports our students and their parents in preschool with compassion and expertise and we appreciate her very much in our school community. Finally, there is Mrs. Maclean whose contributions in so many areas of logistics, organization and communication really help hold things together.

Another incredible group of support people is our reading volunteers. As communicated with families yesterday, will be missing one of our highly valued team members, Ted Stevens. He's been incredibly special to us all and we will continue to support students as they express their grief. Please stay in touch with the school and let us know how we can support your family too. Sincerely,

Mike Abercrombie - Principal
