BULLETIN # 1 1

PRINCIPAL'S MESSAGE: Hello Bear Nation: Great to have our Highway 7 back to normal! Our busses are back on schedule and I sense a decrease in stress in everyone! I am very grateful for our staff and parents who had to brave the traffic to arrive at school and keep our students' lives as normal and productive as possible. Pictured above is a new bookcase that we installed in honor of Ted Stevens who worked as a supervisor and volunteer reader for many years. The success that many of our grade four, five and sixes are experiencing in reading this year is partially attributable to the faithful work Ted, his wife Marilyn and our other reading volunteers have done for the past 6 years! Thank you to Debbie MacLean for organizing this very useful monument to Ted. Also above, is one of many wood cut-outs that students have been working on with our Indigenous Liaison Workers Ms. Alexis & Ms. Sadie. A very inspiring project in progress! Lastly, is a snapshot of some of our basketball team who are still working to improve their skills even after the season is over. I love their dedication!
