

Deroche Elementary Bear Nation Weekly Bulletin

APRIL 24, 2022

BULLETIN #20

PRINCIPAL'S MESSAGE: Dear Parents, Grandparents, Guardians and Supporters of Deroche Students: As you can see last week we had many visitors to our outdoor classroom. Miss Julie, our much appreciated Strongstart teacher, and Diane McCall, the District Coordinator of Early Education, hosted a Ready Set Learn open house for our preschoolers and incoming Kindergarten students. It was a really fun and educational time and we are very excited about the large number of Kindergarten students who have registered to attend Deroche in the fall.

On another note, below is a picture of a "Community Garden" on the playground of another elementary school in Mission. We are excited to announce that Ms. Titford, our amazing librarian and outdoor education teacher is inviting parents to help us develop a similar community garden at the nearby FVRD Access Center. More details are attached to

this Bulletin. Finally watch for more news about our dedicated Track and Field athletes who are practicing for their meet on May 5th and 6th. Have a great week and don't forget it's class photos tomorrow.

😊 *Mike Abercrombie - Principal*
