BULLETIN #24

PRINCIPAL'S MESSAGE: Dear Parents, Grandparents, Guardians and Supporters: As you can see above our great students continue to be busy. We have been helping clear the land to make an "edible forest" at the FVRD Access Center which will provide fresh vegetables for our community. As well, we had "Miss Joceyln" from Wild BC come to our school to speak to each class about wildlife safety (bears and cougars) and proper care of our food wastes. Finally, you can see that amidst all the activities we are staying focused on academics, and we are very fortunate to have our volunteer readers working again. Ms. Berkey, who provides Learning Assistance has reported that our students have made major gains in reading this year. Great work everyone!

Mike Abercrombie - Principal

PAC Meeting: Watch for a notice from PAC coming home sometime this week. PAC is planning to schedule a meeting shortly to discuss planning for next year and they would love your input. Hope you'll be able to make it.

Upcoming Field Trips: Our Grade 6s are off visiting Hatzic Middle School today and Div 2 is swimming at the Leisure Centre. Our next outing is for all students on June 14th to watch an ArtStarts performance at Dewdney.

Last Call for Bottle Drive: we've been collecting recyclable cans and bottles to help fund our year-end activities and to save for our new outdoor structure. If you have any cans/bottles to contribute, please drop off at the school by the end of this week. Thanks for your support!

Club Kids: It looks like we have enough interest for Club Kids so we will be taking the next steps to organize. Watch for further details coming soon.
