BULLETIN #27

PRINCIPAL'S MESSAGE: We continue to have great weekly assemblies at Deroche! In addition to hearing another animated lesson about the parts and operations of the brain and self-regulation of our emotions, we had a whole school sing-a-long with hand crafted instruments, to celebrate Earth Day! Thank you to Ms. Macintosh for the excellent teachings and Ms. Titford for the outstanding musical leadership. Also, as you may have already heard, Garden Club is going full on!! I continue to be amazed how productive and fun gardening can be for so many of our students. Thanks Mrs. MacLean for volunteering so much time for this terrific opportunity! Have a great weekend, stay safe and cool from the sun!

Mike Abercrombie - Principal
