Dear Parents, Grandparents, and Guardians of Deroche Students:

**Re: After School Care – Expression of Interest**

As mentioned in our Bulletin, and after speaking with a few parents, Deroche Elementary is considering offering an after-school child minding and activity program called "Club Kids". Club Kids operates in several elementary schools in Mission to provide supervised care to students from 2:15 pm, when they are dismissed, until 6:00 pm or earlier, when parents pick them up.

You do not have to reserve a certain number of days per week, and the pick up time can vary but the cost is set at \$18.00 per day. There is a sponsorship program for qualifying families which can lower this cost by 50%. In order to run this program, which typically involves hiring a university student who is studying in an education program, Club Kids requires at least 8 children per day attending. Accordingly, could you please return the slip below if you have any interest in this program. Of course, your expression of interest is NOT a commitment, but is intended to give us an idea of whether Club Kids can operate at our school starting in September.

Thank you very much.

Sincerely,

Mike Abercrombie – Principal, Deroche Elementary

**After School Care - Expression of Interest**

I am interested in having one or more of my children attend Club Kids at Deroche Elementary. I think I will use the program for \_\_\_ days per week for one child, or for \_\_\_ number of children.
